

### **Spices and Cereals Processing (SACP) Training Program –Aap Ke Saathi - for Economic Empowerment (October 2015)**

A 12-week training programme was organized to impart knowledge & practical skills to the women in the villages to independently run their own business of spices and pickles. The first batch of four women trainees from Gwalpahadi, was inducted on 12th October 2015. Under this programme the women were given on the job training along with a stipend and transportation. The whole process was broadly segmented into: Store keeping and inventory control; Processing and production of spices and pickles; Packaging, Sales and Marketing; and other business skills.

The second batch of Women Entrepreneurs from Bandhwari village, Gurugram was inducted on 6th April 2016.
